Business Card Design text only and one drop-in logo only 20.00

NEW Single sided business card, Postcard & Trading Cards design 25.00

1. Includes 5 elements (Photos, logos) and uses the design form as the primary reference for placement, numbers and text. NOTE: First four name changes are free when received with initial order.
2. 3 sets of small changes to the design can be entered through PG...FTP or orderup@powergraphics.biz. The two sets of small changes can include; color changes to graphics, photo edits, new spelling or numbers. Any small change listed requests over the limit of two will be subject to a charge. The average business card is complete after the first set of changes.
3. Photo manipulation = removal of small items, creating clipping paths, darkening or lightening, soften edges, cropping into squares and or circles, screening photo.
4. Power Graphics Support: nick@powergraphics.biz can review potential photos, logos and design ideas
5. Free: www.clipart.com (Send the stock number and website with the order.)

Designs can be creative or we can hold to your ideas. Mark the order "Use Creativity" or "Hold to Design". The above five rules apply to the balance of the design prices. Our goal is your complete satisfaction if the design does not meet or beat your expectations there will be a complete refund. Refunds must be requested with in 48 hours of receiving the file. No refunds will be made after changes or corrections are requested.
