

# www.photos.com

## *New Service!*

**You can now search a data base full of professional photos that are royalty free!**

- 1. Go to [www.photos.com](http://www.photos.com)**
- 2. Type in a key word and hit "Search".**
- 3. Once you have identified the photo you like click on it and record the stock number. When you supply us with the stock number we'll go to [photos.com](http://photos.com) and pull down a high resolution photo for your business card!**

### **NO COST TO YOU!!!**

**We have a membership and will provide the photos of your choice at no extra cost.**

**WHY?**

- **Great artwork makes for a great business card! Great business cards sell more business cards!**
- **Royalty free: You can't be sued for using royalty free images.**
- **Easy! If you're looking for a tree. Use "Tree" as the key word and then hit search! You'll find a tree.**

## **Hot Potential Business!**

An easy sell? Insurance agents, real estate brokers, financial planners. Why wouldn't an independent contractor want his photo on their business card? Who do you call Aflac or Brad Jones the agent? "It's a No Brainer!"

These should be quick turnaround orders. Shoot the photo, layout conforming to the 9 common designs and get the payment up front.
